

# Year 3 Geography Homework Project

It's time to get creative, Year 3! We would like you to use the materials you have at home to make one of the following:

1. A map charting the route of the Thames.

2. A fact file on the longest rivers on each continent.

3. A model of the Thames Barrier.

Please hand in your projects by **Friday 20th May**. We can't wait to see them!

There will be a **prize** for the best homemade project we receive.
