

Year 5 Curriculum leaflet

Autumn 1

Map It!

Properties and Changes of Materials

Reading

We will be learning how to:

- Increase our fluency
- Justify opinions formed of characters and plots
- Engage with unfamiliar vocabulary
- Evaluate language used by authors and the effect it has on readers.

Writing

We will be learning how to:

- Use nouns and pronouns accurately and effectively
- Use expanded noun phrases to improve our sentences and make them more interesting
- Use a range of fronted adverbials to engage and inform our reader.
- Write for a purpose i.e persuade, inform or instruct.

Maths

We will be learning how to:

- Developing understanding of place value with large integers
- Comparing and ordering 5 and 6-digit numbers
- Solving problems with a range of strategies
- Use a range of mental strategies to add and subtract
- Use the column method to calculate with large whole numbers

PSHE

This term our focus will be on 'Being Me in My World.' In this unit, we will be setting end of year goals for ourselves and learning how to face challenges positively. We will also be learning about our rights and responsibilities as a British citizen.

Physical Education

PE will be taught by the PE coaches on a **Monday** and a dance teacher on **Wednesday**. Children should wear their PE kit on these days.

This term's focus will be on football and dance.

Computing

We will be learning how to:

- Use the internet appropriately and responsibly
- Design digital content for an intended purpose and audience
- How to report concerns and inappropriate behaviour in a range of contexts.

Home Learning

You can help me at home by:

- Helping me practise my times tables, from 1-12
- Reading a variety of texts with me across a range of genres
- Supporting me to complete my weekly homework and spellings.
