

# Year 5 Geography Homework Project

It's time to get creative, Year 5! We would like you to use the materials you have at home to make one of the following:

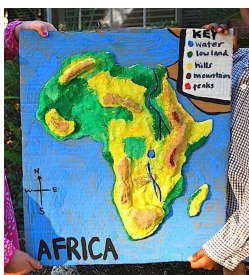

1. A contour map. This could be 2D or 3D.

2. A map of the world showing the different time zones.

3. A model of a country or continent of your choice, including the timezone it is in and its climate.

Please hand in your projects by Friday 15th October. We can't wait to see them!

There will be **a prize** for the best homemade project we receive.
