

Year 5 Geography Homework Project

It's time to get creative, Year 5! We would like you to use the materials you have at home to make one of the following:

1. A contour map. This could be 2D or 3D.

2. A walking tour of the local area.

3. A model of a country within the tropics.

Please hand in your projects by **Monday 17th October**. We can't wait to see them!
