

### Knowledge I already have

In Early Years:

- I learned that we live in a city called London.
- I learned that we live in a city with lots of different people.
- I learned about my local area.
- I used a map to find my school.

Earlier in Year 1:

- I learned more about how to use a map to find my way around.
- I learned the names and locations of the four countries of the UK and their capital cities.
- I learned the four points of the compass.
- I learned about human and physical features.

### Future Knowledge

Later In Year 1:

- I will learn about the weather in the four countries of the UK.
- I will compare the weather in different parts of the UK.

In Year 2:

- I will learn about the 7 continents of the world.
- I will learn about the 5 oceans of the world.
- I will learn about the equator and the North and South Poles.
- I will learn about parts of the world that are hot and parts of the world that are cold.

### New Knowledge

This half term:

- I am learning the location and importance of London as the capital city of England.
- I am learning about how diverse the people of London are.
- I am learning to identify human and physical features in London.
- I am learning about how people travel around London.
- I am learning about some famous landmarks in London.
- I am learning to add landmarks to a map.
- I am learning to compare aerial photographs and maps.

### Fieldwork

This half term:

- I am going to take a walk in my local area to look at the human and physical features.,
- I am going to plan a visit to central London using a map.
- I am going to visit central London to see some of the landmarks that I am learning about.
- I am going to take photographs of the landmarks that I visit.

#### Landmark

A landmark is a place that is a human or physical feature that is well known and easy to recognise e.g. Tower Bridge or St Paul's Cathedral in London.

#### Cathedral

A cathedral is a very large church. This photograph is of St Paul's Cathedral in London.

#### Transport

Transport is the way that you move from one place to another e.g. train, bus or bike.

#### Aerial photograph

Aerial photography means pictures that are taken from above e.g. this picture is of St Paul's Cathedral from above.

#### Diversity

Diversity means that there are many different people from different backgrounds.
