Dear Shacklewell Families,

Family Events

With news of the lifting of restrictions, we are delighted that we can now begin reintroducing group and family events. All families will be welcome to come and explore our new artistic work in the hall on the afternoon of **Thursday 10th between 3.30pm and 4.00pm**. Year 1W families are welcome to attend their child's sharing assembly on **Friday 11th at 10.00am**. In the next week we will be writing to you about the plans for spring 2!

Family Survey

I wanted to thank you for taking the time to complete the recent survey. There were 164 responses and this high number of replies will enable us to use your views and opinions to continue to improve our school. A summary of responses is on the next page.

Geography Learning

This term we are focussing on geography and we have noticed that many children still find it a bit of a struggle to:

- name and locate the world's 7 continents and 5 oceans
- name, locate and identify characteristics of the 4 countries and capital cities of the United Kingdom and its surrounding seas.

We would appreciate your help in ensuring your child can recall these key facts. A useful website to use is [BBC Bitesize](https://www.bbc.com/bitesize) but there are many websites with activities, songs and games that contain ideas of how you might help your child to remember these facts. Our children are much more likely to remember these simple facts if they practise them regularly.

From Monday 31st January masks on site will be a personal choice. Adults entering the school will not be required to wear one but I would ask that you do maintain social distancing in order to support our colleagues.

Kind regards,

Rory McGrath
Headteacher
