

1st February 2022

Dear Families,

### **FIT FOR SPORT - WRAPAROUND CARE AT SHACKLEWELL PRIMARY SCHOOL**

I am writing to update you with some exciting news. From the most recent Parent View surveys many of you expressed an interest in having wraparound care operating from 3.30pm - 6.00pm.

I am delighted to confirm that we will be working in partnership with Fit for Sport to deliver this provision from the Summer term, beginning on 19th April 2022. Fit for Sport have over 30 years experience working in schools and we have a long standing relationship with them. They will ensure that the children have great opportunities to access a range of fun and enriching experiences through their active programmes promoting a healthy lifestyle.

We would like to gather information at the moment and would encourage you to complete the Expression of Interest form via this [link](#), by scanning the QR code or by returning the form on the back of the letter. Please ensure all responses are completed and shared with the school by Thursday 10th February.

By completing this form you are not guaranteed a space for this provision but it will help us to gauge potential numbers because when it begins the provision will only have 25 spaces available and will cost £6 a day which will include a snack.

We look forward to receiving your completed forms.

Yours sincerely,
