Monday 28th February 2022

Dear Year 4, 5 & 6 Families,

**Hit the ground running at the Hackney 5K – Saturday 21st May 2022**

The Hackney Schools Challenge, the fabulous running programme, returns as part of the Hackney Festival of Fitness during the Hackney 5K and Half Marathon weekend. As you know, primary children of all abilities have the opportunity to shine on the Hackney Half finish line, receiving their own medal and goody bag!

Just a reminder that the School Challenge is **free of charge** to all who wish to enter. Our children cover as many miles as they can in the lead up to the event here at school each Friday (launch date to follow) with the final mile taking place at **2pm on Saturday 21st May**. On the big day, our children will run with members of the Shacklewell staff team. The Hackney 5k and a variety of exciting family activities will also be held on Saturday as part of the Hackney Festival so you may want to make a day of it!

This is a super opportunity which we are delighted to support once again and are asking for our families to complete and return the slip below registering your child's interest in taking part and also agreeing to some very important conditions.

***Should interest exceed places available - children's names will be drawn randomly from a hat ensuring a balance across our year groups.***

Please ensure the slip below is completed, signed and returned to the school office as soon as possible. Should you need more information please do get in touch, I am always happy to help.

Warm wishes,

**Bev Dickinson**  
Extended Schools & Community Leader

.....  
.....

I would like to register an interest for my child ..... in class..... to take part in the Hackney Schools Challenge taking place on **Saturday 21st May at Hackney Marshes**.

I understand a weekly commitment prior to the Challenge is involved and that I must drop off my child and remain at Hackney Marshes during the event (about 2 hours).

Parent/Carer (signature).....
