Dear Families,

I am writing to let you know about an exciting change to our Nursery provision. From September, **Nursery pupils will be able to access wraparound provision between 8.00am and 6.00pm.**

Our extended offer will consist of:

8.00am and 8.30am: **Nursery-only breakfast club**

- *Healthy breakfast served in the Nursery classroom*

3.30pm to 4.45pm: **Early years after-school club**

- *A different club daily*
- *Specifically for Nursery and Reception pupils*

4.45pm and 6.00pm: **Nursery wraparound care**

- *Nursery-only group within whole-school wraparound care*
- *Healthy hot meal served at 5.00pm*

Our experienced, qualified staff will look after the Nursery children throughout the extended hours bringing the same care, thought and attention to the children and their learning as they do throughout the day.

We are very excited to offer these extended hours to our families. We know how hard finding affordable, high quality childcare can be and want to help you to give your children the best possible start to their education. Places will be limited and allocated on a first come first served basis. The cost per day is £25.

If you have children turning three before September, please come into the school office to get an application form. Or if you know of any families in the area who might be interested, please let them know. We always welcome visitors and are happy to arrange a tour of the Nursery at a time that suits you.

Kind regards,

**Rory Mc Grath**  
Head Teacher
