Dear Year 6 Families,

Re SATs Success & Online Safety

I hope you had a wonderful weekend relaxing with your children after all their hard work last week! They really did us proud with how maturely and confidently they approached the tests, showing us all they are ready for the big move up to secondary school in September. I am sure you will join me in thanking the Year 6 team for doing an incredible job of maintaining a calm and positive atmosphere and looking after the children so well.

As we enter the last few months of primary school, we will make sure that we maintain the highest expectations of behaviour and learning, to ensure that all pupils leave us as well prepared for secondary school as possible. We have also planned a series of special events designed to reflect on and celebrate their time in our care but also to show how extremely proud we all are of everyone.

On a slightly different note, I would like to take this opportunity to remind you that it is the responsibility of us all to keep our children safe online. No social media app is designed for children under 13 and so no Year 6 pupil should be accessing Snapchat, TikTok, Facebook or Instagram. We are experiencing a rise in incidents of pupils using social media inappropriately at the moment, being unkind and irresponsible. Sometimes we need to remind our children that what they are doing is making others feel upset.

If you are unsure about any aspect of online safety, please click on the links below to take you to advice from the National Prevention of Cruelty to Children (NSPCC):

Thank you for your cooperation in this matter. If you have any concerns about your child or if we can support you in any way, please talk to your child's class teacher or a member of the senior leadership team.

I am extremely proud of all that our Year 6s have achieved this year and am looking forward to seeing them continue to blossom this term as we work with you to give them the tools they need to succeed.

Kind regards,

A handwritten signature in black ink, which appears to be 'Nicole Reid'.
