Wednesday 8th June 2022

Dear Year 6 Families,

### Transition Workshops

In order to help prepare the Year 6 children for their transition to their new school we have arranged a number of activities for them.

#### **These events include:**

- Transition Workshops with Young Hackney throughout the Spring and Summer terms.
- A visit from Hackney Police on Friday 10th June to discuss Physical and Cyber Safety
- Workshops to explore Citizenship and active travel from TfL.
- A road safety guidance and independent travel workshop on Monday 13th June from our partners at Hackney Education and TfL.
- Tailoring our curriculum to ensure children feel safe and prepared for the transition ahead.

These events are in addition to any transition arrangements specific to your child's new school.

Our experience shows that the more we discuss and demystify the transition to Secondary School, the more successful it will be for our children.

I will be writing to you later in the term to discuss arrangements for us all to celebrate the children in Year 6 and their achievements. In the meantime, if you have any questions regarding your child's transition to their new school, then please do not hesitate to contact me.

Kind regards,

Rory McGrath  
Headteacher
