Dear Shacklewell Families,

**Adaptations due to warmer weather**

As the temperatures continue to be high, we are making adaptations to the school day:

- Breaktime has been reduced by five minutes to incorporate a water break inside
- Lunchtime has been sectioned into sessions of 15 minutes to prevent long periods of exposure to the heat.
- Water stations have been added to both playgrounds for the break and lunchtimes
- P.E lessons will take place in shaded areas of the playground or inside the bottom hall
- All windows will be open and when possible fans will be provided to increase air circulation
- The top pitch has been closed for the remainder of the week due to the lack of shade

You can support the school by sending your children into school:

- In appropriate clothing- children do not need to wear their cardigans, jumpers or coats
- With large bottles of water to keep them hydrated
- With a hat to protect them from the sun when outside
- Wearing sunscreen because unfortunately we are unable to apply this to children

We appreciate your support on this matter and we will continue to keep you informed if further adaptations are required.

Kind regards,

Rory McGrath  
Headteacher
