Dear Parents and Carers,

**Re: Secondary School Transfer Applications**

The secondary school application deadline is on **Monday 31st October 2022**. This means that your list of school choices need to be completed in advance of this day.

You'll get the opportunity to apply for six schools - please ensure you've made an application to all six. You should list the school you want the most as your first preference (even if the chance of getting a place there is slim). Your second preference should be the school you prefer if you didn't get your first preference. This process should then be repeated with the rest of your preferences.

We have attached useful information and documents below that will support you in the decision-making process for your child.
