Dear Year 3 - Year 5 Families,

Re: Reading Diaries

This week your child will be given their new Reading Diary. In their reading diary they will be required to make a written log of the reading they do at home each day as well as record their spelling practice each week.

Alongside their own notes, the children will be asked to seek comments and a signature of a parent each week. This will encourage the children to read at home each day and will allow your child's teacher to closely monitor the books that your child chooses to read.

In order to provide you with information about the new reading diaries and give you ideas of how you might support your child with this initiative, we will be holding two sessions for families here at the school. These will take place at the school on:

- Tuesday 7th March, 9.00am
- Wednesday 8th March, 3.00pm

In the meantime, if you have any questions or queries about supporting your child with reading, please do not hesitate to contact us.

Yours sincerely,

Rory McGrath
Headteacher
