Tuesday 14th March 2023

Dear Shacklewell parents and carers,

Parent Consultations

I am pleased to be able to share with you the details for our upcoming parent consultations. This term, parent consultations will take place in person on Thursday 30th March between 3.45pm and 8.00pm.

Each meeting will last for ten minutes, during this time teachers will discuss the children's progress based on end of term assessments in reading and maths. In addition, they will share information about how your child is progressing in their wider academic learning. You will also be able to ask any questions you may have.

We are launching our new approach to booking parent's evening appointments this term. At 12.00pm on Wednesday 15th March you will be able to log into the *My Child At School* app and select your appointment time. *My Child at School* is already linked to the school's systems and you can access it on a [web browser](#), on the [Apple app](#) store and through the [Google Play](#) store.

Parent consultations will take place for all year groups except those for Aqua class which will take place in the new term. I will write to those families directly in the coming days to discuss these arrangements in more detail.

If you would like some support booking your appointment or are unable to attend a meeting during the times allocated, then please contact the school office in order for us to support you.

Kind regards,

Rory McGrath
Headteacher
