

Year 5

Curriculum Leaflet Spring 1

Our Natural Planet

Earth & Space

Reading

We will be learning how to:

- Make and justify inferences
- Evidence our ideas about a text
- Engaging with new vocabulary
- Select a wide range of genres and share reading recommendations

Writing

We will be learning how to:

- Use relative clauses to add extra detail to our writing
- Use modal verbs or adverbs to indicate degrees of possibility
- Use a range of devices to build cohesion within a paragraph and link ideas across paragraphs

Maths

We will be learning how to:

- Calculate and measure perimeter and area.
- Identify equivalent fractions
- Compare and order fractions
- Solve problems involving fractions

Religious Education

We will be learning about:

- The beliefs and values of Sikhism
- The importance of the Gurdwara
- The 5 K's of Sikhism

Physical Education

We have a PE lesson every **Monday** and **Friday**, so please wear a PE kit on those days.

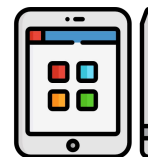

We will be learning how to:

- Select ideas to compose specific sequences of movements, shapes and balances.

Computing

We will be learning to:

- Stay safe online
- Distinguish between reliable and unreliable information and
- Create digital content responsibly

Home Learning

You can help me at home by:

- Listening to me read out loud for 10 minutes each day
- Practising my spellings
- Testing me on recalling my timetables
