

# Year 4 Curriculum leaflet Spring 1

## EARTHQUAKES AND VOLCANOS

## SOLIDS, LIQUIDS AND GASES

## Reading

We will be reading:

- A range of texts structured in different ways
- Different genres to develop their reading for pleasure
- Continuing to develop retrieval and inference skills

## Writing

We will be learning to:

- To use adverbs and prepositions to express time and cause
- To use an informal voice relative to a character
- To use senses to describe a setting
- Write personal recounts and explanation on how to make fireworks

## Maths

We will be learning to:

- Explore fractions and their different representations
- Identify equivalent fractions
- Simplify fractions using knowledge of common factors
- Add and subtract fractions with the same denominator

## RE

We will be learning about Islam.

Our topic will cover:

- The Qur'an
- The importance of worship in mosques
- The 5 pillars of Islam

## Physical Education

We have PE lessons every **Thursday** and **Friday** so please wear a PE kit on those days.

We will be learning to:

- To become more confident performing strength skills more consistently
- Perform in time with a partner or in a group

## Computing

We will be learning to:

- Develop understanding of coding using Swift Playgrounds
- Explain an algorithm using sequence and repetition
- Use logical reasoning to detect and correct errors in program

## Home Learning

You can help me at home by:

- Helping me learn my multiplication tables up to 12 x 12
- Reading with me daily for 15 minutes
- Encourage me to complete home learning projects
