

# Year 2 Geography Homework Project

It's time to get creative, Year 2! We would like you to use the materials you have at home to make one of the following:

1. Your own world map showing the different animals found in each region.

2. A model showing rising sea levels in the Maldives.

3. An information poster about living sustainably.

Please hand in your projects by **Friday 20th May**. We can't wait to see them!

There will be **a prize** for the best homemade project we receive.
