

Year 6 Curriculum leaflet Spring 1

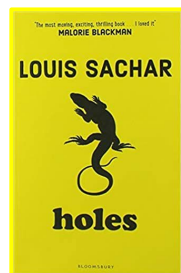

What's It Like There?

Electricity

Reading

We will be learning to:

- Broaden our exposure to a variety of text types
- Further develop our retrieval and inference skills

Writing

We will be learning to:

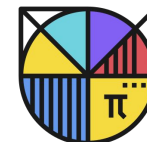

- Write persuasively for a variety of audiences
- Study conventional narratives by analysing traditional tales and fables

Maths

We will be learning to:

- How to calculate missing angles and lengths in 2D shapes
- How to express missing number problems algebraically
- How to improve our fluency by using a variety of strategies

Religious Education

We will be learning about:

- Holy pilgrimages
- Comparing Hajj with pilgrimages from other religions

Physical Education

We have a PE lesson every **Thursday** and **Friday** so please wear a PE kit on those days.

We will be learning how to:

- Use our motor skills to develop our hand-eye coordination

Computing

We will be learning to:

- Explore and analyse databases
- Produce audio and video digital content

Home Learning

You can help me at home by:

- Ensuring that I read independently for at least 15 minutes each day
- Ensure I complete my weekly arithmetic home learning
