YEAR 6

CURRICULUM LEAFLET
AUTUMN 2

new wave federation

ENGLISH

In English, we will:

- Read together, and make and justify inferences about 'The Girl of Ink and Stars', using evidence from the text to answer questions about key ideas and themes.
- Write a fantasy adventure story and a newspaper report, by gathering ideas; drafting, editing, and improving; before publishing.

MATHS

In maths, we will be learning how to:

- Consistently calculate using the four operations accurately at speed;
- Use angle facts to find unknown angles and a protractor to measure angles;
- Simplify, order, compare and calculate with fractions including improper fractions and mixed numbers;
- Use our knowledge of the order of operations to carry out multi-step calculations.

SCIENCE

In science, we will be learning about electri and how to:

- Use recognised symbols when represen circuit;
- Make circuits to solve a particular problem;
- Carry out tests to explore changes in circuits and identify patterns.

RELIGIOUS EDUCATION

In RE, we will be learning about worship. We will:

- Compare and contrast Hindu, Jewish, Muslim, Christian and Sikh places and practices of worship, recalling prior knowledge and further developing it;
- Describe the most important functions of a place of worship for a community.

COMPUTING

In computing, we will be learning about web page creation with a focus on:

- Reviewing an existing website and considering its structure;
- Planning the features of a website;
- Considering the ownership and use of images (copyright);
- Knowing what a navigation path is and why it is useful;
- Creating hyperlinks.

HISTORY

In history, we will be learning about the Kingdom of Benin with a focus on:

- What life was like for Obas and their officials;
- Knowing features of the Benin civilisation;
- What the Kingdom of Benin is known for;
- How trade enabled Benin to become an empire;
- The Kingdom of Benin's role in the transatlantic slave trade.

ART & DESIGN

In art and design, we will be exploring 2-D drawing to 3D making with a focus on:

- The work of Lubaina Himid;
- Using negative space and the grid method to aid drawing;
- Using line, mark-making, tonal values, colour, shape and composition to make our work more interesting.

PE

In PE, we will be playing netball and hockey. We will learn about marking and strategic positioning, performing long corner routines as a team and practising shooting under pressure.

Please ensure your child wears their PE kit including plain black trainers on their PE days. PE days can be found on their class timetable on the school website.
