

COMMUNICATION AND LANGUAGE

We will learn to say 'hello' and 'goodbye' at nursery. We will learn the adults' and our new friends' names.

How you can help me at home?

Show your child photos of your family, including the extended family and talk about relationships with others.

MATHS

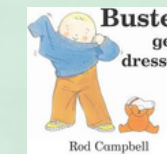

We will begin to explore new language linked to colours and the size of toys and make various arrangements and patterns.

How you can help me at home?

Play 'I spy with my little eye' on the way to nursery, naming all the Autumn colours you can spot.

CORE TEXTS

Topic: Belonging

PSED

We will learn the routines at nursery and become more confident with saying goodbye to our carers.

How you can help me at home?

Be positive about starting nursery and celebrate your child's small steps towards independence.

2YO Nursery

CURRICULUM LEAFLET AUTUMN 1

LITERACY

We will learn nursery rhymes and listen to short stories. We will practise new vocabulary and learn to speak in longer sentences.

How you can help me at home?

Practise singing lots and lots of rhymes with your child, they are great at remembering the actions that go with the song!

UNDERSTANDING OF THE WORLD

We will explore the changes in nature in Autumn.

How you can help me at home?

Take your child on a nature walk and talk to them about all the different things that are changing in Autumn

EXPRESSIVE ART & DESIGN

We will explore paint in all colours and forms, both indoors and outdoors.

How you can help me at home?

Play music and dance along with your child, it's great fun!

PHYSICAL DEVELOPMENT

We will learn to prepare and have a snack and drink independently. We are also practising washing hands and dressing!

How you can help me at home?

Practise pouring water in the bath using jugs, old water bottles and other recycled containers, it helps children build their strength in their fingers.
