

English

We will continue to develop our knowledge of sounds and build our reading fluency in RWI lessons.

In writing lessons, we will:

- Read **Billy and The Beast** and **On The Way Home**;
- Write simple stories in the third person;
- Write a revolting recipe inspired by Billy and The Beast;
- Write instructions for a journey inspired by On the Way Home.

Maths

In maths, we will be learning to:

- Use the terms weight, height, mass, capacity and volume;
- Measure an object with different non-standard units, cubes and a ruler and record outcomes;
- Count in twos, fives and tens;
- Recognise and explain the value of different coins;
- Use knowledge of the value of coins to solve problems.

Science

In science, we will continue our **Plants** topic. We will:

- Identify and name a variety of common wild and garden plants;
- Observe how plants change over a period of time;
- Observe changes in different plants across seasons;
- Make weekly observations and record results using photographs, tables and labelled diagrams.

Geography

Our geography topic is **The United Kingdom**. We will be learning about:

- Physical features such as mountains, seas and coasts;
- Human features within the different countries in The United Kingdom;
- How to identify characteristics of The United Kingdom and its surrounding areas.

Curriculum Information

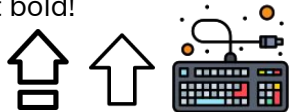

new wave
federation 

Year 1 - Summer 1

Computing

Our computing topic is **Digital Writing**. We will be:

- Familiarising ourselves with the keyboard to write and delete words;
- Practising using the caps lock and shift keys to insert capital letters and the backspace and delete keys to edit our writing;
- Investigating the toolbar features to underline our text or to make it bold!

PE

Our PE topics are **Run, Jump, Throw** and **Attack, Defend, Shoot**.

We will:

- Increase our stamina and core strength;
- Work collaboratively on more complex tasks;
- Improve our strength, balance, agility and coordination;
- Use and apply simple strategies for invasion games.

RE

Our RE topic is **Christian Beliefs**. We will:

- Understand that Christians believe in God and follow the example of Jesus;
- Recognise some Christian symbols and images;
- Understand simple ideas about Christian beliefs;
- Understand how The Bible can teach Christians about God and right and wrong.

Design & Technology

Our design and technology topic is **Sliders and Levers**. We will:

- Explore products that use simple sliders and levers to understand how they work;
- Draw our ideas and create mockups with card and paper;
- Design, make and evaluate a moving poster.
