

It's time to get creative, Year 5! We would like you to use the materials you have at home to make one of the following:

- 
- A 3D diorama of a forest scene. The background is a solid green color. In the foreground, there are several cutouts of trees and foliage. A large blue butterfly is on the left. A red bird is perched on a tree on the right. There are also some yellow and orange leaves scattered around. The diorama is made of cardboard and is displayed on a white surface.

-
