

Year 1 Homework Projects

It's time to get creative, Year 1! We would like you to use the materials you have at home to make one of the following:

1. Create a portrait and/or fact file of your favourite king or queen.

2. Design a throne for a future king or queen.

3. Create a model of a royal palace. This could be from anywhere in the world.

Please hand in your projects by **Tuesday 15th July**. We can't wait to see them!
