

HOME LEARNING MAKER MAT

Physical Development

Practise [this](#) song to help you understand how plants grow. Can you sing along?

Physical Development

Which sport have you missed playing most in winter? Why not have a go at practising it again during the holidays?

Expressive Arts & Design

Mix as many colours as you can! Have you created a new one? What is it?

Expressive Arts & Design

Can you have a Holi or Eid party with your toys? You can dress up and invite your toys to a pretend feast!

Nursery

Understanding the World

As we move into the summer, the trees are getting greener! Create a picture of a summer tree, you can use paint, pens/pencils, or collage!

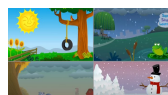

Personal, Social, Emotional Development

Looking after a plant is really hard work and takes patience and resilience. Can you grow your own plant at home and share a picture of it with us?

Understanding the World

As summer approaches, the weather changes. Sing along to [this](#) rhyme and talk about your own observations.

Personal, Social and Emotional Development

As we can now enjoy the outdoors more, can you plan for a picnic with your family? Where will you have it?
