Parent Governor

Dear Families,

I am writing to invite you to nominate yourself, or another parent, to serve on the newly formed Governing Board for New Wave Federation as a parent governor.

The New Wave Governing Board is accountable for the success of the school and, in common with all school governing bodies, it has three core functions:

- To oversee the running of the NWF, ensuring it abides by all statutory requirements relating to schools in England.
- holding the Executive Headteacher and Headteachers to account for the educational performance of the school and its pupils
- overseeing the financial performance of the school

Any parent or carer with a child on the register of any of the schools may nominate themselves for election. You may also nominate another parent or carer, but if you wish to do so, please seek their prior consent.

Governors do not need to have any special qualifications, and they do not need to be experts in the field of education. However, all governors need to have:

- a keen interest in the school, and its pupils
- the time and willingness to get involved
- the ability to read straight forward reports which include data on school standards and financial information
- the ability to contribute effectively in meetings and, in particular, to both support and challenge the school's senior leaders

Our New Wave Governing Board expects that all governors will commit to:

- attending termly meetings of the full Governing Board
- sitting on at least one sub-committee of the Governing Board and attending its termly meetings
- preparing for Governing Board meetings by reading meeting papers, carrying out additional research as required, and formulating questions to ask at meetings
- visiting the school, especially when Governing Board visits are arranged
- representing the Governing Board to parents, carers, pupils, staff and the wider community – for example, by speaking about the work of the Governing Board at school events and other meetings
- participating in regular training and development activities

In return, the New Wave Federation Governing Board commits to providing you with:

- a structured induction, including free induction training provided by Hackney Education
- access to ongoing training and development activities, also free of charge
- feedback on your contribution to the Governing Board

If you would like to nominate yourself, or someone else, to be a parent governor then please complete the attached nomination form and return it to the school no later than **9.00am on Friday 22nd September 2023**.

As we have one Governing Board there are ONLY two vacancies on the New Wave Federation Governing Board across the federation of all the 4 schools for parents. If there are more nominations than vacancies, the school will arrange an election by secret ballot.

There are some circumstances that make people ineligible to be a school governor. These are shown on the reverse of the nomination form.

If you would like to find out more about being a parent governor from the perspective of an existing parent governor, please get in touch with **Mrs Nicole Reid, Executive Headteacher**, who will be happy to pass on your contact details.

A final reminder: all nomination forms must be returned by no later than **9.00am on Friday 22nd September 2023** otherwise they will not be valid.

Yours sincerely,

Alia Choudhry
Returning Officer
