Monday 15th January 2024

Dear Year 6 Families,

I am writing to you regarding some updates in Year 6.

### **Lunchtime Arrangements**

Today we launched a newly enhanced Year 6 lunchtime offer. Last week the children selected different lunchtime activities for each day of week. These include outdoor play, an indoor sporting activity, helping in Key Stage 1 and arts and crafts activities in the library. The children know which groups they are in and that they are expected to stay in these groups until the end of the half term. We think this is an excellent opportunity for the children to try new things and to ensure that they all enjoy their lunch time as much as possible.

### **Progress Postcards**

Last week I met with many of the children in Year 6 to discuss their individual SATs scores. During the meetings we set targets for this half term. I will be completing these meetings this week. On Wednesday the children will be coming home with a postcard, which shares their scores and their individual targets. A majority of the children will also have an individual pack of additional resources to use at home to support them with their targets.

### **PGL**

Our annual trip to Dorset is now less than two months away so be sure to make the final payments if you have not done so already. Please also click this [link](#) to see the kit list of items that the children will need to bring with them.

Don't forget that Year 6 Come Dine with Me is this Wednesday- be sure to book your places via the school office.

Your sincerely

Rory McGrath  
Headteacher
