Two Year Old Provision

Information for Eligible Parents and Families

Our Curriculum

We follow the statutory Early Years Foundation Stage Curriculum and incorporate additional guidance including Development Matters (2021) and Birth to 5 Matters.

The rigorous curriculum we have designed enables all of our pupils to make excellent progress.

LEARNING AND PLAY

We offer a balance of carefully planned purposeful play and adult-led activities, both indoors and outdoors.

These activities support children's Communication and Language, Physical and Personal, Social and Emotional Development.

STAFF

A high quality provision is dependent upon high quality staff. The provision is led by a Level 3 qualified Nursery Officer. Other room staff either have a level 2 or level 3 qualification. There is always a member of First Aid qualified staff on the premises.

"Children get off to a flying start in the excellent early years provision."
