Dear Families,

Re: Cost Increase for Extended Schools Provision

We have taken huge steps to ensure that the schools within the federation provide high quality provisions including Breakfast Club, After School Clubs and Wrap Around Care, serving fresh food which is healthy and nutritious. We pride ourselves on ensuring value for money, and have honoured this by maintaining a fixed cost for many years.

Despite our best efforts, the rising financial challenges faced by schools means that we are no longer able to offer our extended school provision at our current costs. As a result, we have taken the decision to increase costs from **Tuesday 7th May**. From this date, the following costs will be applied:

- **Breakfast Club - £3.50**
- **After School Activity Club - £4.50** with an additional £10 (per half term) for pupils attending Cooking Club to support us with ingredient costs
- **Our Space** (3.30pm - 6.00pm) - **£12.00**
- **Daily Bundle** - Breakfast Club 8.00am - 9.00am & Our Space provision 3.30pm - 6.00pm - **£15.00**

Many thanks for your continued support and understanding.

Yours sincerely

Nicole Reid
Executive Headteacher
