Dear Year 6 families,

**re: Booster Sessions**

A majority of children in year 6 will be participating in booster classes from Monday 3<sup>rd</sup> November. Boosters will run on Monday (reading), Tuesday (maths) and Thursday (maths) from 3:30pm until 4.15pm. Boosters for the autumn term will finish on Thursday 11<sup>th</sup> December. Families who have children that are being invited to attend booster groups will be communicated with directly before the end of this half term.

These extra teaching sessions prepare the Year 6 children for their end of year assessments and they are an excellent way of supporting your child to meet or exceed national expectations.

Attendance at these sessions is vital and we will be working with you to support your child to attend each session. The children who would usually attend after school club or wrap around care will be escorted to those sessions straight after the booster finishes.

Children who do not attend Our Space or a club will need to be collected by families via the main school office. No children will be allowed to walk home on their own.

The year 6 team very much appreciate your support to ensure every child fulfils their potential at the end of their primary school journey.

If you have any questions, please do not hesitate to contact me.

Kind regards,

Rory McGrath  
Headteacher
