Dear KS1 and KS2 families,

Relationships and Sex Education Parent Information Session

In line with the statutory guidance for Relationships, Sex Education (RSE), and Health Education, we will be delivering age-appropriate PSHE lessons on sex education in the second half of the summer term. We would like to invite you to attend a parent session to find out more about our RSE units, titled 'Safety and The Changing Body'.

During the information session you will have the opportunity to see how the content is delivered throughout KS1 and KS2. You will also be able to view the teaching materials and ask any questions that you may have about this important topic.

We will be holding this information session on both **Wednesday 3rd June and Thursday 4th June from 9.00am - 9.45am**. There is no need to book, please attend on the day that works for you; we look forward to seeing you there.

Yours sincerely,

Cassey Williams
Deputy Headteacher
