Dear Nursery and Reception Families,

Re: Enhancing Privacy on Our Home Learning Portals

We love sharing your children's wonderful school milestones and home learning journeys with you. To ensure this digital space remains completely private and secure for our families, we are rolling out a standard security update to our online portals.

To guarantee that only verified families can view student profiles, access will now be managed entirely through personalised email invitations.

How to access your portal:

- **Already invited?** Please open the link in your email to view your child's profile.
- **Missing an invite?** We may just need to update your contact details. Please email us or let a member of the school office team know so we can register your current email address and send your link right away.

Thank you for your ongoing collaboration as we celebrate children's wonderful learning in school and further support them with home learning.

Best wishes,

Joaanna Ichim

Federation EYFS Leader and AH
