

# HOME LEARNING MAKER MAT

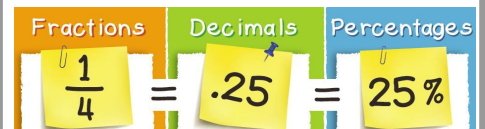

Plan a trip around Europe, visiting three countries of your choice and add details about human and physical features to visit.

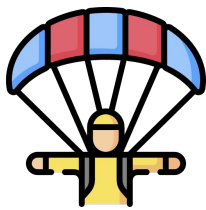

Create a dreams and goals bucket list for 2021. Think carefully about what you would like to achieve at home and school.

Create a card game or memory game comparing equivalent fractions, decimals and percentages.

Build a parachute for one of your toys to help them create air resistance and defy the forces of gravity at work.

Year 5  
Spring 1

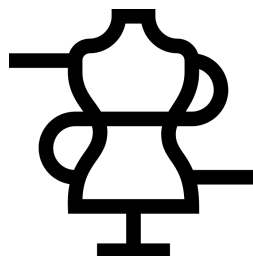

Write a diary entry, as if gravity was removed for the day, think about what would happen to everything and describe the day in detail.

Design a poster demonstrating all the forces at work in a certain area e.g. the park or local high street.

Design yourself a new outfit, detailing the patterns and textiles you have selected.

Rewrite a chapter of Wonder from a different perspective to Auggie, maybe from one of his parents or teachers.

Please complete at least 4 activities and return your projects by  
Monday 8th February 2021
