

HOME LEARNING MAKER MAT

You are an explorer travelling to the Himalayas for the first time. Write a diary entry describing your new adventures and challenges.

Research and draw examples of the classic types of buildings from Ancient Greece, Roman and Islamic culture.

Write about the dreams and goals you have for the next year. If you could achieve anything what would it be?

Create a fact file highlighting the similarities and differences in the physical geography of California (USA) and Cornwall (UK).

Year 6
Spring 1

Write a journal article from the perspective of a great inventor who has just had a major breakthrough. What amazing invention have you just created?

Design a poster showcasing everything you know about electricity. Include information about its discovery, dangers and uses.

Draw a detailed map of a journey between two countries. Explain how you would travel there on different forms of transport.

Build a model or digitally record a prototype of a new invention you have created. It should clearly show how it's constructed and have its parts labelled.

Please complete at least 4 activities and return your projects by Monday 8th February 2021
