

HOME LEARNING MAKER MAT

Use recyclable materials to make a model showing how the fire spread through London.

Design a poster to teach people what they can do to prevent fires.

Create a comic to show the day of a typical person in Stuart Britain.

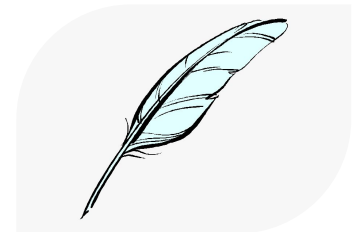

Use recyclable materials to make a house from 1666.

Year 1

Write a diary entry detailing what you might have experienced during the Great Fire of London.

Create a poster showing the different types of jobs that people had in 1666!

Keep a count of how many fire engines you see in one week in London!

Write instructions for how to bake a loaf of bread. Challenge - try making it!

Please complete at least 4 activities by Monday 22nd March.
