

# HOME LEARNING MAKER MAT

Use recyclable materials to make a model of a medical artefact.

Make a timeline of medicine throughout time. What was it like in the 1500s?

Create a poster about a famous medic such as Mary Seacole or Florence Nightingale.

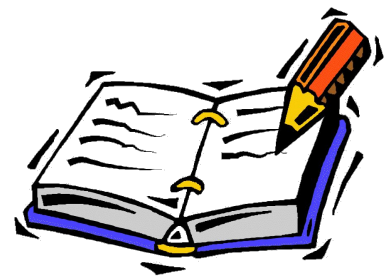

Interview a family member to find out what going to the doctor was like in their childhood.

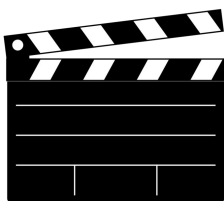

## Year 2

Write a diary entry detailing what you might have experienced during the Crimean War.

Create a short play to show what medicine was like in the middle ages.

Draw a first aid kit from the 1800s and draw a first aid kit from 2021.

Design your own medicine. What would it do? How would it work?

**Please complete at least 4 activities by Monday 22nd March.**
