

HOME LEARNING MAKER MAT

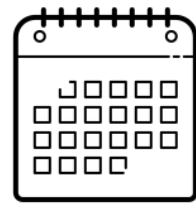

Use recyclable materials to construct a shelter for an endangered wild animal.

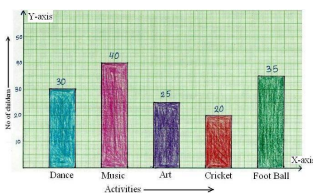

Design a poster to persuade an intended audience in favour of animal rights.

Create a calendar detailing the months of the year and the correct number of days.

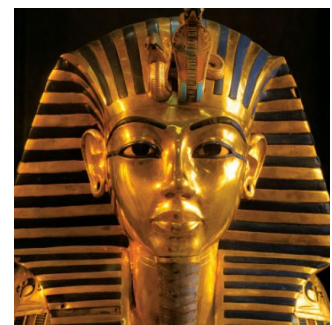

Record what materials you are recycling at home. Present this information in a table.

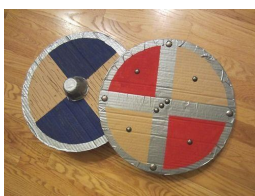

Year 3

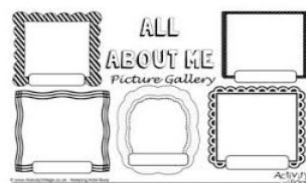

Record a newspaper report inspired by events relating to Ancient Egypt.

Design a shield to redirect a magnetic field.

Collate pictures from your family to make an 'all about me' poster.

Add to our padlet to review a book that you have read.

Please complete at least 4 activities by Monday 22nd March.
