

Year 3 Curriculum Leaflet

new wave federation

Spring 2

Forces and magnets

Reading

We will be learning:

- to build our inferencing skills
- to build our opinions on texts explaining our likes and dislikes
- to locate evidence from the text to identify the use of inverted commas to punctuate speech

We will be reading:

Writing

We will be learning:

- to use a range of persuasive devices to write for a specific audience
- to plan a draft and edit our writing
- to use organisational devices relevant to genre type
- use a range of punctuation accurately

Maths

We will be learning:

- to divide and multiply 2-digit numbers by 3, 4, and 5
- to read both digital and analogue clocks
- to measure intervals of time in seconds and minutes
- to identify and describe unit fractions
- to find fractions of a given quantity

PSHE

We will be learning about:

- Relationships.
- What makes a family.
- Family roles and responsibilities.
- How to express feelings and emotions appropriately.
- How friendships can change over time.

Physical Education

PE will be taught by the PE coaches every Friday. Additionally PE will be taught every Thursday. Please ensure PE kit is worn to school on **Thursday and Friday.**

Computing

We will be learning:

- how to gather and compare data about different communication platforms
- the importance of e-safety and online platforms to report concerns
- how to apply SMART principles to stay safe online

Home Learning

You can help me at home by:

- Encouraging me to read a wide variety of texts.
- Helping me to build my times tables fluency, focusing on the 3, 4, 6 and 8 times tables.
- Develop my historical understanding by telling me significant stories about our family history.
