

# Year 5 Curriculum Leaflet

Spring 2

## EARTH AND SPACE

## Reading

We will be learning:

- how to demonstrate our inference skills using point, evidence and explanation
- making comparisons with different texts

We will be reading:

## Writing

We will be learning:

- how to write from both sides of an argument, using a range of devices to build cohesion within a paragraph
- how to write poems, inspired by a virtual trip to a London venue and help writing writing poems with a live workshop session from a poet

## Maths

We will be learning:

- to classify, compare and order angles
- to measure and draw angles with a protractor
- to identify, describe and represent the position of a shape following a reflection
- to interpret negative numbers in context

## PSHE

We will be learning:

- to develop our knowledge of relationships
- how to manage friendships and peer pressure
- how to overcome feelings of disappointment in life to celebrate friends and family

## Physical Education

PE will be taught by the PE coaches every Wednesday. Additionally PE will be taught every Tuesday. Please ensure PE kit is worn to school on a **Tuesday and Wednesday**.

## Computing

We will be learning:

- to analyse and evaluate information gathered from the internet
- to know the built in features of a search tool
- to show responsibility when creating or remixing online content

## Home Learning

You can help me at home by:

- supporting me with my daily reading and weekly spellings
- supporting my weekly maths home learning and practising my times tables with me
- supporting me when I am completing my Maker Mat activities
